

Aptiv Suppliers - Privacy Statement

1. Information on Who We Are

Aptiv Global Operations Limited and its affiliates (“Aptiv”) as a Data Controller and business is committed to protecting the privacy and security of your Personal Data. “Affiliates” includes all entities controlled by, under common control with, or controlling Aptiv Global Operations Limited, provided that control will mean direct or indirect control or ownership of more than 50% of the voting stock or equity of such entity. Aptiv Global Operations Limited is an Irish company with its registered office at 5 Hanover Quay, Grand Canal Dock, Dublin, D02 VY79, Ireland.

2. Scope of This Privacy Statement

At Aptiv, we care about the protection and privacy of your Personal Data (also referred to as Personal Information).

This Privacy Statement applies when you visit our Aptiv Supplier Portal: <https://supplierportal.apativ.com>, including if you have been directed to this site, when you complete any of our relevant supplier questionnaires, or contact us with a comment, inquiry or supplier support request through this site. By using or accessing this site, you agree that we may process your Personal Data in the manner described in this statement. It is important that you read this statement so that you are aware of how and why we are using your information. If you have any questions about this statement or how we handle your Personal Data, or if you are contacting us to fulfil a Data Subject/Consumer Access request, contact us [here](#).

Personal Data collected about you in connection with other Company websites, products, services, or mobile applications (including those made available to you by our group companies) may be covered by different Privacy Statements. It is important that you read this Privacy Statement together with any other Privacy Statements or other Notices we may provide to you.

3. The Kind of Personal Data We Process

Personal Data means any information about an individual from which that person can be identified.

When you supply goods, products, or services to us, we may collect, store, and use the following categories of Personal Data about you:

- **Identification and contact information** - such as, full name, work email address, username/login credentials or similar identifiers, work telephone numbers, signature, Company/organization name, job title, work postal address,

• A P T I V •

- **Payment information** – name, bank account number, billing address, ACH Routing number, IBAN, Swift code, CLABE number any other financial information,
- **Interaction and Usage Data** – when you interact with us, we will record details of those interactions (for example, phone calls, e-mail correspondence and hard copy correspondence).
- **Mandatory Data** – data that is mandatory for us to collect to comply with certain legal and regulatory obligations that apply to our business.

4. How We Obtain Your Personal Data

We only collect, process, retain or share the minimum amount of Personal Data required to fulfil a specified and legitimate purpose. The Personal Data we obtain from you is dependent on your interactions with us and may vary depending on regional/country requirements. We may obtain your data either directly or indirectly.

Directly, when you:

- Contact us and register your company's interest to supply us with goods, products, or services,
- Are contacted by us, and we register our interest to be supplied with your company's goods, products, or services,
- Complete our administrative supplier registration and other relevant forms,
- Supply us with goods, products, or services,
- Attend any of our supplier events,
- Interact with us during the course of your business relationship with us,
- Request further correspondence from us or correspond with us by post, telephone, email or otherwise,
- Enter any relevant competition, promotion, or survey, and/or
- Give us feedback.

Indirectly, when your Personal Data is provided to us by a Third Party:

- In any of our supplier administrative forms, and/or
- During the course of your business relationship with us.

5. Purposes for Collecting Your Personal Data

The purposes for which we might collect Personal Data about you include the following:

- To register you as a supplier,
- To identify you personally or to verify your identity,
- To process your orders for goods, products, or services you supply to us,
- To register you for participation in any of our relevant events which require registration,
- To facilitate payments for your goods, products, and services,

• A P T I V •

- To administer your supplier account and to interact with you in relation to any goods, products, or services you supply to us,
- To perform business analyses, or for other purposes that help us to develop and improve the quality of our business, sites, products, and services (including new products and services, and future innovation),
- To detect, prevent and respond to fraud, intellectual property infringement, violations of our terms and conditions, violations of law or other misuse of our assets,
- To comply with regulatory, legislative, or statutory obligations, which vary in regions (for example, tax, law enforcement directives, court orders, subpoenas, etc),
- To fulfil any of the purposes associated with or related to the above purposes, and/or
- To serve other purposes for which we provide specific Notice at the time of collection, or as otherwise authorized or required by law.

6. Our Lawful Bases for Processing Your Personal Data

According to applicable law, each process that involves Personal Data must have a 'lawful basis'. Identifying the correct lawful basis helps to ensure that Personal Data is used in line with applicable law.

Our lawful bases for processing your Personal Data will be appropriate for the purpose of processing, the type of data involved, and applicable law. We process your Personal Data when it is necessary for:

- The performance of a contract, or prior to entering a contract, to which you are party,
- Carrying out our organization's legal and compliance obligations, including the establishment, exercise, or defense of legal claims,
- The performance of tasks to which you have given us your consent,
- Carrying out tasks that are in our legitimate interests or that of a Third Party,
- The performance of a task carried out in the public interest.

7. California Business Contact Information

If you are a California resident and we receive your Personal Information in the form of contact details from business events, for example as part of a business appointment (e.g., by exchanging business cards) or as part of any other form of collaboration, we may use your contact and business details to maintain our business contacts. For this purpose, we may transfer your contact details to our internal database. Pursuant to the California Consumer Privacy Act, as amended by the California Privacy Rights Act (collectively, "CCPA"), you have privacy rights with respect to your business contact Personal Information.

The processing activity may include the following data categories:

- Your contact information (e.g., name, work address, work telephone number, work email address); and
- Details on your profession (e.g., job title, position, place of work, branch office, department).

This data processing is based on our legitimate business interests. We have a legitimate economic interest in maintaining contacts beyond the initial context and in

using them to establish and develop a business relationship and to remain in contact with the parties concerned.

Such business contacts could also be easily processed in our email communications with you and then kept in typical business software, either centrally or on the electronic devices of our employees.

We do not sell or share any of our data subjects'/consumers' Personal Information, as defined by the CCPA; in the preceding twelve (12) months, we have not sold or "shared" any Personal Data, as "shared" is defined under the CCPA.

8. Automated Decision-Making

Automated decision-making takes place when an electronic system uses Personal Data to make a decision without human intervention.

You will not be subject to decisions that will have a significant impact on you based solely on automated decision-making, unless we have a lawful basis for doing so and we have notified you.

9. Data Sharing

We will disclose or share your Personal Data with Third Parties where it is necessary to perform our contract with you, where we have another legitimate interest in doing so or where it is required by law.

We may disclose your data to trusted Third Party service providers. We may also disclose your Personal Data with other Third Parties, for example, in the context of a transfer of our statutory functions or with a regulator or to otherwise comply with the law.

All our Third-Party service providers are required to take appropriate security measures to protect your Personal Data based on the associate risks including proper access controls. They will only process your Personal Data on our instructions and are subject to a duty of confidentiality. We require Third Parties to respect the security of your data and to treat it in accordance with the law.

10. Cross Border Transfers of Your Personal Data

We may be required to transfer your Personal Data across International borders, in line with applicable law. To ensure that International Transfers of Personal Data are adequately protected, we have put in place appropriate safeguards with our group companies, service providers, contractors, distributors, business partners and agents.

We take appropriate Contractual, Technical, Organisational measures, and conduct Transfer Impact Risk Assessments, as required, to protect your Personal Data and Your Rights. For International Data Transfers, we comply with the requirements of applicable law, including safeguards such as Standard Contractual Clauses (SCCs) where required (e.g. for transfers of EU Personal Data outside of EU (and areas deemed to provide Adequate Protection), in accordance with Article 46(2) of the GDPR). For more information on the appropriate safeguards in place to protect your Personal Data, you may contact us via the Contact details in this Privacy Statement.

11. Retention of Your Personal Data

We will retain your Personal Data only as long as necessary to fulfil the purpose(s) for which it was collected, or as required by law. We retain your Personal Data in accordance with applicable laws and our Records Retention Policy and Schedule. Otherwise, we aim to keep our files current and will make reasonable efforts to remove Personal Data that is no longer relevant for the purposes for which it was collected.

In some circumstances we may anonymize your Personal Data so that it can no longer be associated with you, in which case we may use such information without further Notice to you.

12. Security and Protection of Your Personal Data

Aptiv is committed to safeguarding the security and protection of your Personal Data, via a system of governance, policies, and processes, and have dedicated Privacy and Security teams to manage risk and implement controls. We have implemented appropriate security measures to protect your Personal Data from unauthorized access, use, copying, modification, disclosure, destruction, and alteration. We abide by the key principles of Data Protection and Privacy in our Personal Data collection and handling, namely: accountability; lawfulness, fairness, and transparency; data minimisation; purpose limitation; storage limitation; managing the confidentiality, integrity, and accuracy of Personal Data.

13. Data Subjects' Rights in Relation to the Processing of Your Personal Data

In accordance with applicable law, in certain circumstances, you have the following rights regarding the processing of your Personal Data:

- The right to request access to your Personal Data.
- The right to be informed about how your data is processed.
- The right to request correction/rectification of the Personal Data that we hold about you.
- The right to request erasure/deletion of your Personal Data.
- The right to object to processing of your Personal Data.
- The right to request the restriction of processing of your Personal Data.
- The right to request the transfer of your Personal Data to another party.
- The right to opt-out of sale of your Personal Data.
- The right to non-discrimination for exercising your rights.
- The right to request disclosure of categories of information collected, sources we collected it from, the commercial purpose for collecting it, categories of Third Parties whom we shared it with, categories of information disclosed for business purposes and categories of information sold about you.
- The right to withdraw your consent at any time, where you may have provided it for the collection, processing, or transfer of your Personal Data for a specific purpose.

In the USA, these rights are limited to California residents. The right to object (including direct marketing) is not applicable in California because we do not sell or share your Personal Data, or use your sensitive Personal Data, for any purposes that are incompatible with the purposes listed in the Notice, unless we provide you with notice of those additional purposes.

Exercising Your Rights

You may exercise Your Rights via our online form [here](#). In some jurisdictions, you may also designate an authorized agent to make a request on your behalf. The response time for Data Subject Rights Requests varies depending on your jurisdiction and applicable law. If we require more time to respond to your Request, we will inform you.

You will not have to pay a fee to access your Personal Data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is deemed to be unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

When you exercise these rights and submit a request to us, we or our partners may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). We will verify your identity by asking you to authenticate your identity via standard authentication procedures. For example, where relevant we may ask for your email address, order numbers of previous orders of our products and services, the last four digits of a credit or debit card or bank account number used to make a purchase, or the date of your last purchase from us. We also may use a third-party verification provider to verify your identity. These measures are another appropriate security measure to ensure that Personal Data is not disclosed to any person who has no right to receive it.

When you exercise Your Rights, we will not discriminate against you in any way. For example, we will not deny you goods or services, charge you different prices or rates for goods or services, deny you discounts or other benefits or impose penalties on you, or provide you with or suggest that you will receive a different level or quality of goods or services.

California residents have the right to opt out of the selling and sharing of their Personal Data and to limit the use of their sensitive personal data. However, we do not sell or share Personal Data, and we do not use Sensitive Personal Data for any additional purposes that are incompatible with the purposes listed in this Privacy Statement, unless we provide you with Notice of those additional purposes.

14. Children

This portal is not designed for children and is not intended to appeal to children. Aptiv does not knowingly collect data from children. If you are under 16 years of age, please do not use this website.

15. Complaints

Depending on your jurisdiction, you also have a right to make a complaint at any time to your local Data Protection Supervisory Authority (find a list of EEA Authorities [here](#)). Aptiv Global Operations Limited is an Irish Company, and its lead EU Regulator is the Irish Data Protection Commission, 21 Fitzwilliam Square South, Dublin 2, D02 RD 28, Ireland or by e-mailing info@dataprotection.ie.

16. Changes to this Privacy Statement

We reserve the right to update this statement at any time. We may also notify you in other ways from time to time about the processing of your Personal Data.

If you have any questions about this statement, please submit a request through the link [here](#).

You may exercise Your Rights (including exercise of Your Rights against the relevant overseas recipients) via our online form [here](#). In some jurisdictions, you may also designate an authorized agent to make a request on your behalf. The response time for Data Subject Rights Requests varies depending on your jurisdiction and applicable law (e.g.: EU – 30 days; California – 45 days; China – 15 days). If we require more time to respond to your Request, we will inform you.

您可以通过[此处](#)我们的在线表格行使您的权利（包括针对相关境外接收方行使您的权利）。在某些司法管辖区，您也可以指定一个授权代理人代表您提出请求。对数据主体权利请求的回应时间取决于您所在的司法管辖区和适用法律（例如：欧盟-30天；加利福尼亚-45天；中国-15天）。如果我们需要更多时间来回应您的请求，我们会通知您。

You will not have to pay a fee to access your Personal Data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is deemed to be unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

您不必为访问您的个人数据（或行使任何其他权利）而支付费用。但是，如果您的访问要求被认为毫无根据或过度，我们可以收取合理的费用。或者，在这种情况下我们可以拒绝满足您的要求。

When you exercise these rights and submit a request to us, we or our partners may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). We will verify your identity by asking you to authenticate your identity via standard authentication procedures.

当您行使这些权利并向我们提交请求时，我们或我们的合作伙伴可能会要求您提供具体信息，以帮助我们确认您的身份，并确保您有权访问信息（或行使您的任何其他权利）。我们会要求您通过标准的验证程序来验证您的身份。

When you exercise Your Rights, we will not discriminate against you in any way. For example, we will not deny you goods or services, charge you different prices or rates for goods or services, deny you discounts or other benefits or impose penalties on you, or provide you with or suggest that you will receive a different level or quality of goods or services.

当您行使您的权利时，我们不会以任何方式对您进行歧视。例如，我们不会拒绝向您提供产品或服务，向您收取不同的产品或服务价格或费率，拒绝向您提供折扣或其他福利或对您进行惩罚，向您提供或暗示您将获得不同水平或质量的产品或服务。
